Subject: Request for Permission of Listed Students as Club Members for Spring 2024

Respected Sir,

With due respect, I am writing to request your kind approval for the attached list of 121 students who wish to be officially recognized as members of the Premier University Computer Club (PUCC) for the Spring 2024 semester. These students have shown active interest and commitment to participating in various club activities, including academic workshops, programming contests, technical seminars, and community outreach initiatives.

As the club aims to foster a culture of learning, collaboration, and innovation within the Department of CSE, we believe their inclusion will contribute significantly to the club's objectives and enrich the student community.

We kindly request you to review and permit the listed students to function as official members of PUCC for this term, so they may actively engage in club-organized programs under the department's guidance.

Thank you for your support and consideration.

Sincerely,

Ruhul Amin Sharif
