Subject: Application for Permission to Conduct Online Bootcamp on Competitive Programming

Sir,

This is to seek your kind permission to conduct a Bootcamp on Competitive Programming in online mode, scheduled from 6th March 2025 to 22nd May 2025.

The bootcamp aims to provide continuous training in algorithmic problem-solving and programming techniques, helping students prepare for national and international contests. Sessions will be conducted virtually to ensure flexible participation and effective learning.

Your kind approval to hold this online bootcamp during the mentioned period would be sincerely appreciated.

Thank you for your time and consideration.

Sincerely,

Rayanul Kader Chowdhury Abid

Subject: Submission of 6-Month Proposal Plan for Fall 2024 Session – Premier University Computer Club

Sir,

This is to respectfully submit the 6-month proposal plan for the Fall 2024 session outlining the scheduled activities of the Premier University Computer Club. The proposal includes a range of events such as workshops, seminars, contests, and training programs aimed at enhancing the technical skills and engagement of students.

The plan has been designed to cover diverse domains including Competitive Programming, Web Development, Game and Mobile Development, Linux-Based Networking, Deep Neural Research, DevOps, and IoT & Embedded System Wings. We believe these initiatives will offer students valuable exposure to various fields of computing and innovation.

The proposal is being submitted for your kind review and necessary approval. The plan is attached with this application.

Thank you for your time and consideration.

Sincerely,

Rayanul Kader Chowdhury Abid
