

Membership Rules and Eligibility Criteria

1. Applicants must possess basic computer skills, including proficiency in office tools (e.g., MS Office or similar) and typing skills.
2. A copy of the student's university ID card must be submitted with the application.
3. Applicants must demonstrate knowledge of at least one programming language.
4. A non-refundable registration fee of 300 must be paid during the registration process.
5. Applicants are required to pass the membership exam to qualify as a member.
6. Members must be willing to actively participate in club activities, including workshops, projects, and events.
7. Members must commit at least 4 hours per week for club activities and learning sessions.
8. Preference will be given to students who have prior experience in coding projects or networking assignments.
9. Students must demonstrate effective communication skills for team collaborations and knowledge sharing.
10. All members must adhere to ethical standards, including honesty and respect for others during club activities.
11. Applicants must demonstrate the ability to self-learn and explore technical topics independently.
12. All members must agree to follow the club's code of conduct, ensuring professionalism and mutual respect.

I hereby declare that I have read, understood, and agree to abide by all the membership rules and eligibility criteria mentioned above.
