**Subject:** Permission to Organize BDapps Roadshow Seminar in Room 510

Sir,

I am writing to seek your kind permission to organize a roadshow seminar in collaboration with BDapps, as part of their outreach for the upcoming Innovation Summit 2025.

The seminar is planned for Saturday, 24 May 2025, from 10:00 AM to 12:00 PM in Room 510 of the CSE Department. Representatives from BDapps will conduct the session to introduce students to their platform, share details about the summit, and encourage participation in mobile application development activities.

This event aims to enhance students' industry exposure and inspire innovation through hands-on engagement with current platforms and opportunities. We would be grateful for your kind consideration and approval to proceed with this session.

Sincerely,

Rayanul Kader Chowdhury
