Subject: Request for Thesis Supervision

Dear Sir,

We, Rayanul Kader Chowdhury Abid, Md. Hasibul Hossain, Md. Arafat Hossen Rabby from the 40th 7th semester, Section A and B, humbly request your permission to conduct our thesis under your supervision on the topic of Machine Learning.

We are deeply interested in this field and believe your expertise and guidance will significantly enhance our work. We are eager to proceed under your mentorship and learn from your valuable insights.

Thank you for considering our request.

Sincerely,

Rayanul Kader Chowdhury Abid
